

Summer 2008

MARLBORO REPORT

Providing Quarterly Updates on Municipal Projects Occuring Throughout Town

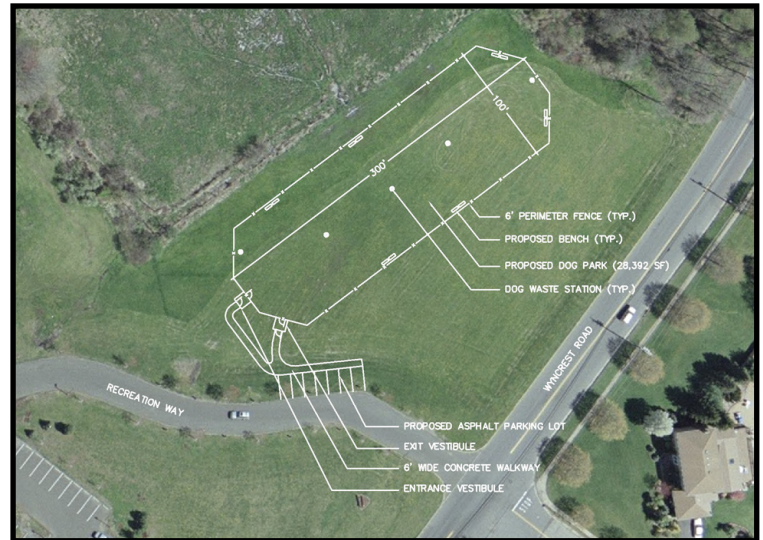

Municipal Improvements

Station Rd. Deep Run Stream Cleaning

An NJDEP permit for the Stream cleaning of Deep Run between Hickory lane and Briardcliff Dr. has been received. Easements for access and construction are in place. The Township Dept. of Public Works (DPW) are planning to begin work in early summer.

Marlboro Dog Park

A first-of-its-kind Dog park is to be constructed just to the right of the entrance to the recreation complex. Completion is scheduled for early summer 2008.

Synthetic Turf Field / Municipal Complex

Project is complete and the Township is in the process of closing out the contract.

Spring Valley Rd. / Texas Rd. Intersection

A Project Kick-off meeting with NJDOT / NJTPA was held in May 2008. A \$1.2 Federal Earmark initiated by Congressman Rush Holt has been transferred to this project from the School Road East project. A capital improvement funding request will be made in the 2008 capital program. Additional Federal approvals are in process.

Pleasant Valley Rd. / Conover Rd. Intersection Improvements

Project design and NJ-DOT permitting is in process. Meeting with the County Engineer are scheduled to discuss cost sharing for drainage improvements. Project is slated for 2009.

Station Rd. Improvements

Phase 1 construction plans, from Briarcliff Dr. to Rt. 79, are complete. Municipal funding is in place. Construction will begin in Fall 2008, upon finalization of easement acquisitions.

Robertsville Rd (Rt 520) Improvements

Phase 1 Improvements are complete. Phase 2 design is underway utilizing a \$451,000.00 NJDOT grant for the construction of an overflow pipe along Stokes Lane that will discharge into the Serpentine drive stormwater basin. Construction will begin in Fall 2008, upon finalization of easement acquisitions.
